

# Books about Wisconsin

Prepared by Jessica Tracy  
and the Staff of the Cudahy Family Library  
Cudahy, Wisconsin  
June, 2009

*Where are your books about flowers that will grow well in Wisconsin's climate?*

*What can I use to help me start my own business?*

*Do you have any books about Wisconsin true crime?*

Many books in our collection are about Wisconsin and Milwaukee County, but they are not all found in one place. This pamphlet is a guide that will help you find books you are looking for, and even books that you didn't know existed.

New books are regularly added to our shelves, so be sure to check the CountyCat library catalog to check for the newest titles.
